

Bentleigh West Kindergarten Inc.

HOME LEARNING – WEEK 7

FUN ACTIVITY OF THE WEEK

Leaf Art

On a walk, collect different coloured leaves. Children could also count how many they have of one shade.

The above images are the artwork of **Andy Goldsworthy** who uses nature for his inspiration and materials.

With the leaves, either place them on a sheet of paper and have a photo taken or glue them down. The children at kinder having been doing self-portraits and using the leaves as the hair. Children may also like to:

- Make a pattern
- Put the leaves in order of their shades of colour
- Create a picture

LEARNING EXPERIENCE

LEARNING FOCUS: Numeracy, one to one counting

FRAMEWORK FOCUS: learning

RESOURCES YOU NEED: Number cards or blocks such as UNO cards and found objects from nature and inside.

Steps:

- 1) Find different natural and manmade lose objects.
- 2) Lay out the numbers in order from one to ten.
- 3) Under each number lay out the right number of the same object.

EXTENSION:

Lay out the numbers out of order and add some higher numbers. Children could also sort objects by colour or texture.

RECIPE OF THE WEEK

While we are still not cooking in our program at the moment, I thought I'd share a recipe to a healthy snack, that is also great for breakfast.

The ingredients for this are very flexible as you can decide as you go how much fruit, chia seeds and oats you use to make the layers. Share a photo of your creation if you like, we would love to see it!

Ingredients

1/3 cup oats (the kind that cook in 5 minutes, gluten-free if necessary) plus an extra teaspoonful for topping

1/3 cup yogurt of choice

1/3 cup milk of choice

2 teaspoon chia seeds

2 teaspoon chia seeds

1/2 cup fruit, frozen or fresh (berries work great)

Method

1. Add oats to the bottom of the jar then layers of yogurt, chia seeds, fruit, and the milk. Screw the lid on tightly and shake well.
2. Add fruit to the top and sprinkle an extra teaspoon of oats over the fruit and do not stir.
3. Eat straight away or put the lid on and place in the refrigerator ready to be eaten the next morning.

BWK LEARNING FROM HOME
