HOME LEARNING – WEEK

GREEN GROUP- Week 7

MESSAGE FROM YOUR TEACHER

Hello friends,

I hope you are all doing well. Ann A and I were just doing the maths and we have 66% of the Green group children return- this means today we had 14 children. We are feeling busy. How are you going at home? Have you been using the take home packs?

We hope to see you soon,

Rach and Anne

RECIPE OF THE WEEK

What you need-

Thank you for the 100's and 1000's of things you do!

Cook your favourite cookie recipe and cut out shapes. When cool, decorate with 100's and 1000's. Make a note for someone special (Mum, Dad, Grandma, Grandpa etc) and share with them. Don't forget to help with the clean up!

SONG OF THE WEEK

5 golden autumn leaves high up in a tree
The wind blows
The leaves shake
And one falls down to me
Falling, falling falling down falling falling
falling to the ground.

FUN ACTIVITY OF THE WEEK

Traffic light game – this game is played either on the spot (how we play it at kinder) or in a large space. One person calls out a traffic light colour and the second person does the actions as follows.

Red light – stop (be very still and don't move)

Green light – move fast (either on the spot or around the room)

Amber light – slow (move very slowly)

Take turns of the roles after a few minutes.

LEARNING EXPERENCES

At kinder, we have been learning what the '5 minute hand' means. This helps us to know when we are almost ready to move onto the next activity. Can you make your

own hand by either painting it and making a print, or by tracing around your hand and colouring it? You can use your own 5 minute hand to let your family know when it is time to pack away for mealtimes or bedtime etc...
