HOME LEARNING – WEEK

GREEN GROUP

MESSAGE FROM YOUR TEACHER

Hello friends,

How is everyone this week? I'm thinking of you all and hoping all is well at home. What have you been up to at home? I hope you can do some activities. Did anyone make the banana pancakes? Did anyone read 'From Head to Toe'? Please stay in touch and let us know how things are going.

Love from Rachel and Anne.

RECIPE OF THE WEEK- Chicken and bacon rollups

- 1) Small amount of bbq chicken, chopped up by an adult.
- 2) Cream cheese spread
- 3) 4 pieces of cooked bacon (or ham)
- 4) Tortilla bread
- 5) Tomato sauce

Method:

Mix chicken, cheese, bacon or ham and sauce together in a bowl.

Spoon your mixture onto the bread and roll up.

Ask Mum or dad to help you cut the rollups into pieces.

ENJOY!

SONG OF THE WEEK

I had a little Turtle,
His name was Tiny Tim.
I put him in the bathtub,
To see if he could swim.

He drank up all the water
And ate a bar of soap.
And now he's in his bed,
With bubbles in his throat.

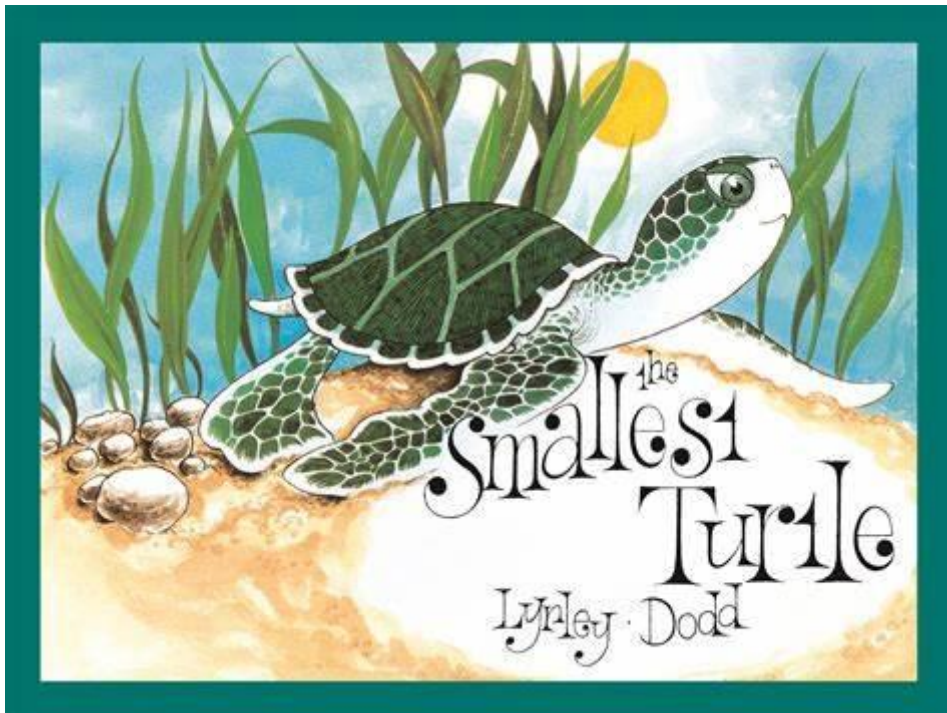

Bubble, Bubble, Bubble, POP!

(Remember we have sung this song at kinder? You need to put your hands together and wiggle your fingers like they are legs.)

STORY OF THE WEEK

Can you please read 'The smallest turtle' with Mum and Dad? We have been reading this book at kinder and we really love it!

LEARNING EXPERIENCES

Numeracy-

Children, I would like you to play a maths game with Mum or Dad or your older siblings. It is called Race to fill the cup. You need-

- Cups which are all the same size. (important for fairness!) You will need to count how many people are playing and give each person a cup.
- A dice.
- Some small items to fill your cups with. You can use Lego pieces or marbles, or something similar. They must fit in the cups and fill at least one of them. See what you have at home. You might need to go on a hunt.

How to play-

- 1) Sit in a circle.
- 2) Roll the dice. If you roll 6, place 6 items in your cup. If you roll 2, place 2 items in your cup etc...
- 3) The winner is the person to fill their cup first.

Parents, Please encourage careful counting. You can also talk about more and less. You can observe or ask them if they need to count the numbers on the dice or if they can tell by just looking at the dice. Keep it fun.

Literacy-

Children, I would like you to keep learning to recognise what your name looks like. We are continuing to do this here at kinder. I want you to do a pasting activity at home. Can you make a name rocket? You will need some scissors, some glue, some paper. If you have any star stickers, you can use them too. Or you can cut out some stars. Please ask Mum or Dad to help you with the writing of letters. If you do this activity, I would love to see it.

Parents, please help your child to safely use scissors. Can you mix the letters up and see if your child can put them in order correctly? Can they recognise any letters? As always, please keep it fun.

Other activities- Read! Read! Read to your child- everyday, with enthusiasm and joy.
Thanks so much.
